SIERRA VISTA-SAN PEDRO

May 19, 2019

THIS WEEK HIGHLIGHT: Buena High School Project Graduation, Bucks Store, May 23, 2019, starting at 9:30pm, Buena High School

During our Monday lunch meeting, Marge Carrithers talked about the bond capital improvement master plan for the Sierra Vista Unified School District. She was accompanied by Larry Bryson and Josephine Mabe. It was quite informative to see how to see our tax dollars work at all the schools to improve libraries, restrooms, roofs, HVAC, buses and so much more. Thank you for sharing how we are improving our community.

Volunteers are still needed for the Buena High School Buck Store Project Graduation. There is still time to volunteer or donate a basket. If you haven't dropped off your basket, see attached flyer on where to still drop it off. We need all your help to make this a success. Contact Jessica (Rotary Club) at 338-9550 or email at buenaprojectgrad@gmail.com to put your name on the list as cleared to enter the event as a volunteer. Shifts range from 10PM- 5AM. If you can't do a shift during the night, you can always help to set up before Project Graduation begins if you are able to load/unload in the morning. Call Emma Lee DeRosa, 520-227-0265, pded@phderosa.com for questions. See attached flyer for more information.

Scholarships have been reviewed and awarded. Each school was presented the award during the past week at the respective school and the scholarship check will be presented during an upcoming Monday meeting. Winners are: Cochise College scholarship: Ivette Padilla from Douglas High School; Cindy Cooper scholarship: Kenna Conley from Tombstone High School; Stephen R. Kurtz scholarship: Meghan Beaudry from Buena High School; Norman House scholarship: Moyra Zeleste Fragoso Lopez from Douglas High School. Congratulations to all our winners. Looking forward to meeting you.

Did you get an email on the upcoming Southwest District Conference? And, it's in Chandler, Arizona this time – too close to miss. Take a look at the attached flyer on some details and visit <http://swdkiwanis.org/>.

Terrific Kids: The last awards ceremony at Huachuca Mountain Elementary was on May 14th. There were 63 kids who were recognized for reaching their goals. A huge thank you to Lolene Pacholke for all you do with this program and thanks to all the Kiwanis volunteers for their support and another terrific year. Great job!

Key Club: The Douglas Key Club held their Awards and Installation meeting last week. Nilda Townsend was on hand to advise this new club and congratulate these exceptional kids. Look forward to more good things to come out of Douglas.

Builders Club: The Joyce Clark Middle School Builders Club wrapped up with a celebration of a year of hard work and service leadership! So many wonderful projects... made 200 dog toys for the Nancy J. Brua Animal Care Center, donated food to Peach's Pantry, made 95 scarves for the homeless and donated to the Good Neighbor Alliance, showed their appreciation to our veterans by placing wreaths at Christmas at the Veterans Memorial Cemetery and walked in the Veterans Day Parade, for Valentine's Day made flower pots for the residents of Haven Health, made luminaria bags for the Relay for Life, and read to the kindergarten classes at the Town & Country Elementary School! It was a busy year ☺ Have a great summer clubbers!

Relay for Life: There were lots of super heroes on hand for this year's Relay for Life. Despite the wind and cold evening, the night was such a success. Thanks to all the San Pedro members and special guest SW District Governor Ed Verburg, that participated in the local Relay for Life cancer walk, honoring and celebrating the fight and the memories of lost loved ones. There were smiles and tears, but we were all united in our determination to unleash our super powers against cancer. Thank you to Buena High School Key Club for helping our booth to a successful night. Thank you Nancy Drouin for being the team captain and keeping us on track...and on the track... and Crystal for our team shirts.

Golf Tournament: We finally have a decision from General Dynamics to sponsor our annual golf tournament and we can't be more pleased. But this means we have to step up and get this coordinated as time is fast approaching this event. More information will be distributed shortly but please keep it on your radar.

SPECIAL REQUESTS:
